## The Iroquois Club

The Iroquois Club was founded in 1906 by a group of Harvard graduates and undergraduates as a waiting club for the Fly Club and the Spee Club. The original clubhouse was situated on the site of the present Lampoon building, and the club subsequently moved to a building on Holyoke Place where Lowell House now stands. The present clubhouse at 74 Mt. Auburn St. was built for the club in 1918 and in the following year the Spee gave up its interest in the Iroquois Club. In the fall of 1939 a movement began which culminated in the Club becoming a final club on October 4, 1941 when the Fly sold the building and other interests to the Iroquois Club.

## ARTICLE VII

### *Membership*

1. The term "Graduate Member" as used herein, means a Member of the Iroquois Club who has graduated from Harvard College, or who was a student at Harvard College, or at an undergraduate or graduate department of Harvard University, when elected, and who is not and has not been a member of any other Club of like standing at Harvard University.

2. The term "Honorary Member" as used herein, means a Member exempted from dues and initiation fees other than a Non-Voting Member, as described in paragraph "6" of this Article.

3. The term "Undergraduate Member" as used herein, means a Member who is a student at Harvard College, or an undergraduate department of Harvard University, and an Undergraduate Member shall become a Graduate Member upon his graduation from Harvard College, or any undergraduate department, or upon the severance of his connection with the University, provided that his indebtedness to the Club shall have been paid.

4. No person, other than a Graduate or Undergraduate Member as herein defined, shall vote at any Regular or Special Meeting of the Club, or have any proprietary interest in the property of the Club.

5. From and after the enactment of this Constitution, no person may become a Member of the Iroquois Club who is already or ever has been a member of another Social Club at Harvard College of like standing.

6. Persons who before the enactment of this Constitution were Members of the Iroquois Club, and also of another Social Club at Harvard University of standing equivalent to that of the Iroquois Club from and after the enactment of this Constitution, shall be Non-Voting Members of the Iroquois Club hereafter, and they shall always be entitled to the privileges of the Iroquois Clubhouse, and to the privilege of attending Iroquois dinners, conformably with such rules and regulations as the Iroquois Council may enact, and shall have the privilege of suggesting the nomination of new Members of the Iroquois Club to the Council and Undergraduate Officers. They shall never be liable for any dues or assessments, but they shall have no proprietary interest in the Club's property, shall be ineligible for Club office or membership on the Council, and shall not vote at Club meetings. *Provided*, however, that notwithstanding anything to the contrary contained in this paragraph, or in the first paragraph of this Article, or elsewhere in this Constitution, a Non-Voting Member in good standing may become a Graduate Member, with all the rights and privileges, duties and obligations of such Membership, by filing with the Graduate Secretary a written statement to the effect that he desires to become such a Member, and will be liable to perform all obligations of such Membership, including the payment of any and all dues and assessments.

7. Any person may be elected an Honorary Member by unanimous vote at both Meetings of the Club and of the Council held

on notice for the purpose of passing on such election, after nomination by unanimous vote of the Council.

8. The Undergraduate Officers of the Club shall serve as a committee to nominate candidates for membership other than Honorary Membership, and such candidates may also be nominated by unanimous vote of the Members of the Council. The Undergraduate Officers shall meet and shall consider the nomination of candidates suggested by any Member of the Club, Honorary or otherwise and shall nominate any person suggested by any three (3) Members. When nominated, by vote of not less than three (3) of said Undergraduate Officers, or by unanimous vote of the Graduate Members of the Council, the question of their election shall be balloted upon by the Undergraduate Members at a meeting held for the purpose, at which a quorum is present in person, and of which notice has been given to every Undergraduate Member at least three (3) days before the date of the meeting. Any candidate receiving not more than one (1) blackball shall be thereupon declared elected and shall thereupon become a Member. Members may vote by mail or telegraph if ill or absent from Cambridge at the time of such meeting, and the Undergraduate Secretary shall use all reasonable means, including mail and telegraph, to notify said Undergraduate Members of the meeting and the identity of the candidate for election.

9. The election of all Members of the Club or whatever class of Membership, shall be for life, but any Member of the Club may be suspended by the Council on such terms and conditions as the Council shall decide, and the Council may, by unanimous vote, expel any Member, but shall not expel a Member unless he has been given the opportunity to be heard by the Council by written notice stating the complaint against him mailed to him at least fourteen (14) days before the date of the Council Meeting called to consider his case. Such person shall have no power to vote on the question of his own suspension of expulsion, and shall not be counted for a quorum.

10. Any Officer of the Club, Graduate or Undergraduate, or any Member of the Council, may be removed by a two-thirds ( $2/3$ ) vote of the Club, at a meeting thereof at which such Officer or Member of the Council has been given the opportunity to be heard by written notice stating the complaint against him mailed to him at least fourteen (14) days before the date of the meeting called to consider his removal, but such Officer or Council Member shall not have the power to vote on the question of his own removal, and shall not be counted for a quorum.

## ARTICLE VIII

### *Amendments*

# The By-Laws of the Undergraduate Club

AS AMENDED THROUGH NOVEMBER 21ST, 1955.

## I.

### *Meetings*

The First Meeting of the Undergraduate Club shall be held immediately after the Club Meeting at which the constitution is amended, or as soon thereafter as shall be practicable in the opinion of the Undergraduate President. The annual meeting of the Undergraduate Club shall be held within the octave following the Spring Recess, at the discretion of the President.

Special meetings may be called at any time while college is in session by the Undergraduate President, Vice-President, or Treasurer, by any Graduate Officer, or by any five (5) Members of the Undergraduate Club, by a notice stating the purpose of the meeting posted on the bulletin board in the Clubhouse at least three (3) days before the date of such meeting; and if such meeting is called for the election of new members, the names of such candidates shall be posted with such notice. A majority of the Undergraduate Members shall constitute a quorum for any meeting of the Undergraduate Club, but a minority may adjourn such meeting.

## II.

### *Election of Officers*

The Undergraduate Officers shall consist of a President, a Vice-President, a Treasurer, and a Secretary elected at the annual meeting, to hold office until the next annual meeting, from among Undergraduate Members in good standing by majority vote. Nominations shall be made from the floor, and any candidate whose nomination is seconded by two (2) Members shall be voted

upon. Officers shall have the powers and duties conferred on them by the Constitution and by the Council. Five others shall be elected at the annual meeting to assist the Undergraduate Officers in the consideration for membership.

In the elections occurring at the annual meeting of the Undergraduate Club the following election procedures shall apply: a nomination shall be valid if it is seconded by two persons. A majority of a quorum shall be necessary for election. If no person attains a majority vote in the first ballot, the man with the lowest number of votes shall be dropped, and the Club shall vote again on the remaining candidates. If there is no majority vote at this time, the procedure shall be repeated until a majority vote is reached. The election of a body to assist the officers in the consideration of candidates for membership shall be by a single ballot containing the names of all persons nominated. Each member shall vote for five men, and the five with the highest number of votes shall constitute such a body.

### III.

#### *Elections of Members*

The nomination and election of members shall be done in accordance with the Constitution. All candidates nominated shall be discussed fully and fairly before being voted upon. Blackballs shall be anonymous, but any Member who objects to a candidate shall if present state in the discussion his reasons for such objection. In the case of any prospective member who fails election due to receiving two (2) or more blackballs the President shall have the power to call for a new discussion, not to exceed ten minutes, and then to order a new vote by secret ballot which shall be final according to other rules governing this in the by-laws. *The presiding Officer shall have sole authority to pass on the validity of all blackballs.* Candidates after their election shall be sworn and shall thereupon become Members.

## IV.

*Fines*

Any Undergraduate Member who fails to attend a meeting of the Club, or of the Undergraduate Club, or any Club Dinner, unless ill or otherwise absent without an excuse satisfactory to the Undergraduate President, shall pay a fine of \$5 to the Club.

There will be an assessment above the replacement costs levied against any person who wilfully destroys property in the Clubhouse—the amount of the assessment to be determined by the Undergraduate Officers and the Steward.

## V.

*Guests*

No undergraduate of Harvard College who is not a member of a Final Club shall be admitted to the Guest Room. A student at another college may be admitted to the Guest Room. Those who have been graduated from an institution similar to Harvard College may be admitted to the clubhouse. Members of final clubs may be admitted to the Clubhouse five years after graduation and non-club graduates may be admitted to the Guest Room after the same period and to the Clubhouse after ten years. Women and undergraduates of other colleges shall be admitted to the Clubhouse only on the dates of certain Club functions. Members will be held entirely responsible for the actions of their guests at all times.

## VI.

*Amendments*

These By-Laws may be amended with the assent of the Council, or of a majority of the Members of the Standing Committee, or at any regular or special meeting of the Undergraduate Club, by majority vote.
